

## **YOUTH ART CLASSES**

***Instructor: Alan Huck***

- 1. One 14" x 17" drawing pad with white paper. Larger is OK, but not smaller.***
- 2. Four "2B" drawing pencils (not charcoal pencils). These are the same as the yellow pencils students use in school.***
- 3. One soft eraser. White artist eraser is best (Magic Rub). An art gum eraser is OK.***
- 4. One set of colored pencils. All you need are the basic colors. An inexpensive set is fine, but not a "Child's Set."***
- 5. Inexpensive 3-ring binder and plastic page protectors for class worksheets.***

***Instructor recommended stores to purchase art supplies:***

- ☐ ***Michael's Art & Crafts***
- ☐ ***Aaron Brothers Art & Framing***
